

Hospitality Packages

Our hospitality packages include the following services:

- Access management and event program development;
- Event tickets with preferential seating options within venues;
- Reserved parking spot;
- Courtesy hostess assistance all event long;
- Happy hour/lunch/dinner at the location;
- Preferential access to the venue;
- Exclusive transfer service from the location to the event venue and viceversa;
- Overnight stay at preferential rates (on demand).

The services included in the Hospitality Packages are differentiated according to the venue and the nature of the event. In particular, either in occasion of specific events or on clients' demand, the hospitality is provided inside the event venue instead that at the location.
